QFC ACCREDITATION

We are pleased to announce that our firm **ARN** has joined QFC's approved Auditor's list (QFC stand for Qatar Financial Centre)

Qatar Financial Centre (QFC) in lines

The Qatar Financial Centre (QFC) is an onshore business and financial centre located in Doha, established by Law No. 7 of 2005 of the State of Qatar. A world-class platform for companies, QFC offers its own legal, regulatory, tax and business environment, contributing to the decisive economic development and diversification prescribed by Qatar National Vision 2030.

Supported by QFC's broad range of legal and regulatory services, regulated and non-regulated, that align with international best practice, domestic and international companies can set up or expand their business in Qatar.

QFC allows up to 100% foreign ownership, 100% repatriation of profits, and charges a competitive rate of 10% corporate tax on locally sourced profits, all while integrating businesses into Qatar's swift expansion into a major trade and investment centre.

What QFC do?

QFC invite businesses, from start-ups to large corporations seeking to expand to the region, to benefit from flexible legal and regulatory services, regulated and non-regulated, that meet international best practice. With QFC, you can accelerate business growth in Qatar and beyond, while becoming part of Qatar's swift expansion into a major trade and investment hub.

ICV CERTIFICATION

Qatar Petroleum through “Tawteen” has launched the In-Country Value program. Tawteen is the Supply Chain Localization Program for the Energy sector in Qatar with the objective of establishing sustainable and competitive in-country suppliers and support the growth and diversification of Qatar’s economy, in order to support the realization of Qatar National Vision 2030.

What is ICV Certification?

The National In-Country Value Program (ICV) The ICV is a certificate that is issued to certified suppliers evaluating their contribution to the local economy. Certified suppliers will gain advantages during the award of tenders and contracts based on their ICV score.

What is ICV score in Qatar?

The ICV score takes note of the total amount that is spent in the country that benefits business and economic development and contributes in human capability development. The ICV score helps to reduce the dependence on local goods and services, thereby developing the local goods and products.

IEC NET REPRESENTATIVE

As a proud member of the ICE net Global, our firm is committed to providing our clients with the highest level of professionalism and expertise. By joining this international network of accounting and consulting firms, we have access to a wealth knowledge and sources, enabling us to stay up-to-date with the latest global trends and best practices in the industry. This membership also demonstrates our dedication to following international high standards, ensuring that our clients receive top-quality services that meet and exceed their expectations.

As a representative of the global accounting alliance IEC international network of accountants and tax advisors, we have developed a wide range of connections that can help you.

IEC net has a growing membership, but due to its medium size, extensive personal contacts have been established and strengthened between the members for their benefit and, more importantly, for the benefit of their clients.

With members located all over the world, we can support our clients in their international as well as local business requirements and provide specific regional advice.

Regular international conferences, workshops and seminars enable us to keep in touch with international developments in tax and auditing so we are able, through our partners, to give you the most cost-effective service.

This network of international tax advisors, coupled with our extensive experience in dealing with residence and domicile issues, means that you can be sure of sound advice in all your business affairs, regardless of the countries and nationalities involved.

About IEC Net Network

Created in 1987, IEC net is a network of qualified accounting, audit and tax professionals according to the respective laws of their jurisdictions. IEC has nearly 80 members and, thanks to its average size, strong and solid contacts have been established between members, for their own good, and especially for the good of their customers.

IEC Net members are represented in almost all European countries, as well as in the United States, Africa, Americana Latina but also in the East and Oceania.

The group and its various centers offer the following services:

The audit of companies of all kinds and public institutions;

Formalities and acts concerning the life of companies;

International tax advice;

Advice on mergers and acquisitions;

vocational training; and

business valuation.

IEC net members have extensive experience in all sectors of activity. Their references cover various fields: Industries, Services, Agriculture, Financial institutions, non-profit associations, development NGOs, etc. Most of its members are auditors of companies listed in the respective financial markets of their countries.

The head office is located in Paris. IECnet is strengthened by its alliances with the CPA-USA network of American accountants and the Canadian EPR network.

IECnet is a member of the Forum of Firms. The Forum of Firms, established in January 2001, contains some 20 of the largest audit networks in the world performing transnational

- The objectives of the Forum of Firms are multiple.
- Promote compliance with ISAs and the IFAC Code of Ethics.
- Ensure appropriate internal and external control procedures.
- Implement ISA and IAS training programs .
- Agree to contribute to the development of the profession in developing countries.
